I wrote and compiled this book as a gift for my Lord Jesus to celebrate His coming, and I pray that He will bless all who receive it

I would like to thank my sister Darlene for all her help, my friend Debbie for the use of her poems, and to acknowledge the following contributors:

The Bible I used was New International Version (NIV)

The websites I used were

www.flylady.net

www.organizedchristmas.com

www.SavingDinner.com

www.share-christmas.com

www.the-north-pole.com.

A number of the stories and poems were emailed to me so I do not know where they came from but I have tried to make sure that as far as I could the names of the authors are kept with them. If I have missed anyone I apologize. Let me know and I will add them next year

Sincerely
